><p>There was a slim figure standing on top of a high cliff , under the cliff was the ocean . The deep , dark and freezing ocean . Waves crashing on the bottom of the cliff . The chilly wind blew .<p>

Her long silvery white hair , which was in a braid , flowed behind her . Her fringe covered her hazel brown eyes with a few specks of blue . She wore a sleeveless white fur coat that ended a few inches above her knees . Under the coat , she wore a dark green shirt with white linings . She wore a simple reddish brown skirt and tight black pants . She was also wearing some armor , on her chest , shoulders and knees . She had a brown belt , that had small spikes on it around her thin waist . Lastly , she was wearing a pair of dark reddish brown boots with white fur linings .

Her name was \*\*Valkyrie\*\* .

I took a deep breath and gazed at the sunset . The air was chilly on my bare arms , making me shiver . I took a step forward and looked down at the tough ocean .

' One more step . . ' I thought . I closed my eyes and jumped off the cliff . I was falling , fast . I think it a minute passed by and I still haven't plunged into the freezing sea .

' What in the name of Thor . . ' I blinked my eyes open , only to meet with shining emerald eyes . That's when I asked myself , how was he in the air ?

I looked down , and realized he was riding a dragon , a night fury to be exact . I looked at him again and glared at him slightly . My fiery hazel eyes glaring into his emerald ones .

I blinked . ' Wait . Is he blushing ? '

I finally notice I was in his arms . I blushed softly . We landed in a village and a group of people ran over to us .

" Hiccup ! " a blonde girl , with braided hair exclaimed . She was beautiful . I started to feel insecure and afraid . I'm in a village I don't even know , in the arms of a stranger , who wouldn't be afraid ?

I looked at each of them , with fear and confusion in my eyes . One of them stepped forward .

" Hey there babe , I'm Snotlout , "

I glared at him slightly . I opened my mouth to speak , but nothing came out .
